Advance Praise for The Oaf Issue 3

"Nice. Very cool. I'll check it out."
-our buddy, Jon

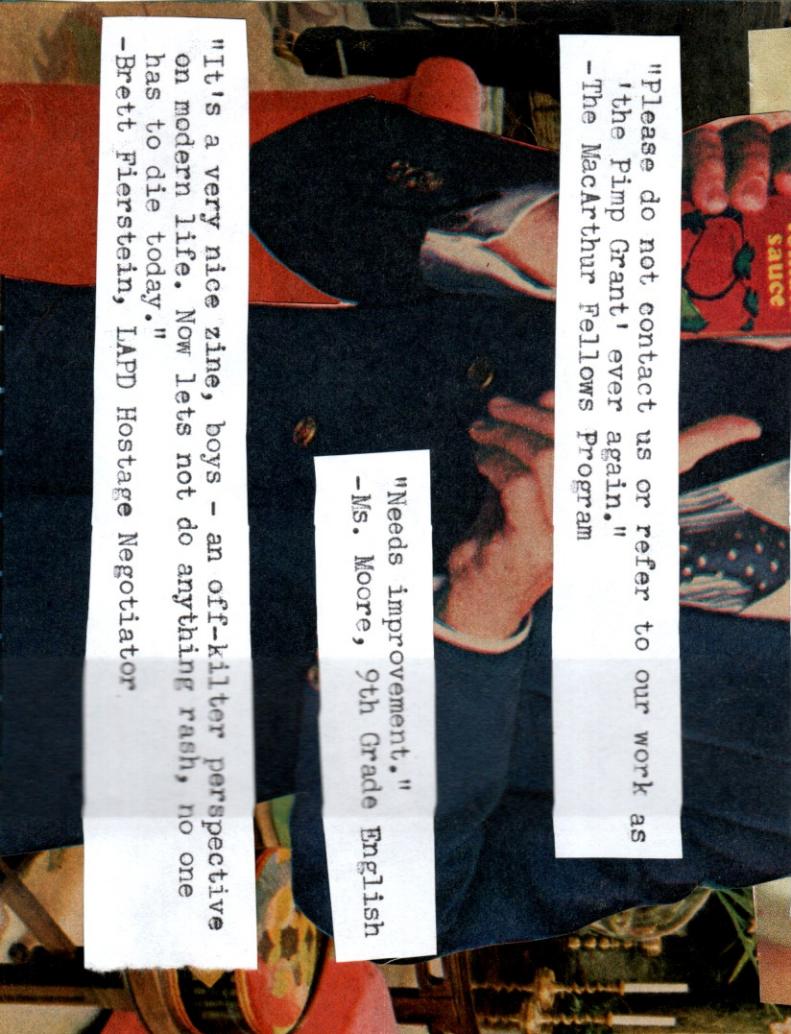

"An overwhelming kaleidoscope of letters, images, and,
at times, numbers."
-A.O. Scott, New York Times

"Please do not contact us or refer to our work as
'the Pimp Grant' ever again."
-The MacArthur Fellows Program

"Needs improvement."
-Ms. Moore, 9th Grade English

"It's a very nice zine, boys - an off-kilter perspective
on modern life. Now lets not do anything rash, no one
has to die today."

-Brett Fierstine, LAPD Hostage Negotiator

Frank Ideas

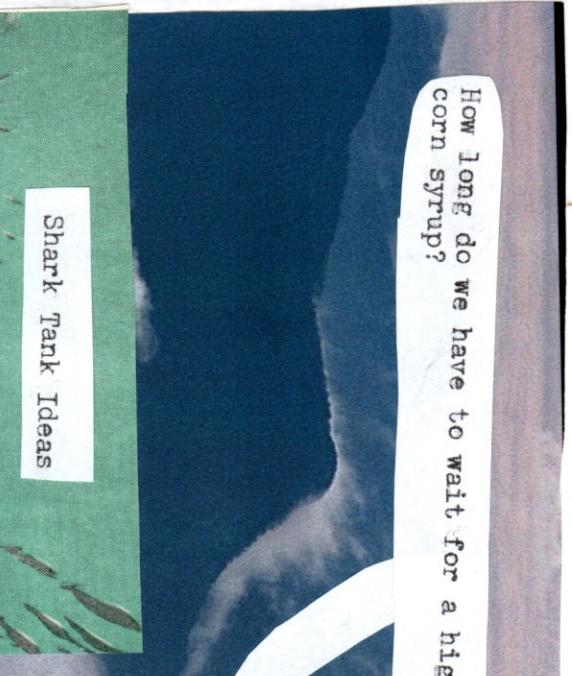

Sneak up behind your friend real quiet and then detonate a thermonuclear device.

Shark Tank Ideas

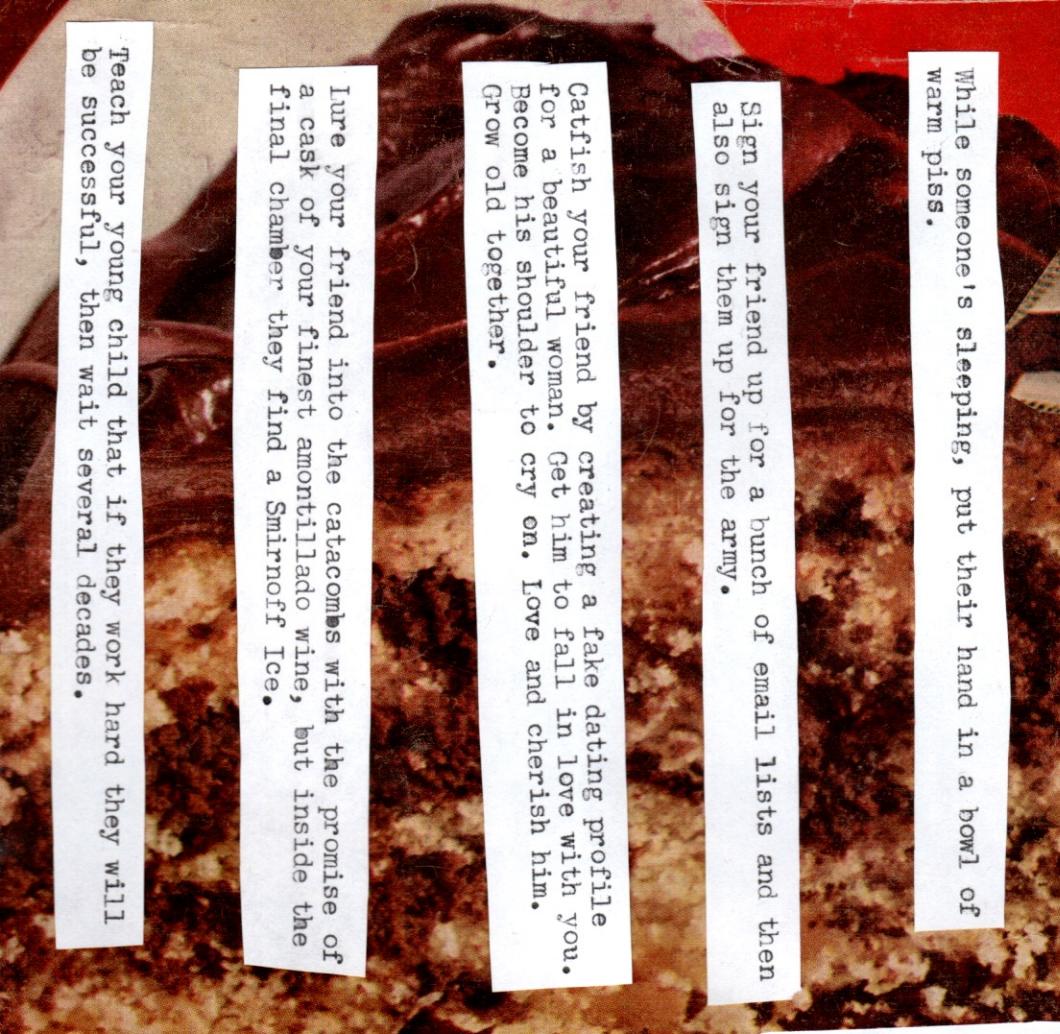

Cigarette that cleans your teeth

While someone's sleeping, put their hand in a bowl of warm piss.

Sign your friend up for a bunch of email lists and then also sign them up for the army.

Threaten to kill the sharks unless they give you \$1 million

Catfish your friend by creating a fake dating profile for a beautiful woman. Get him to fall in love with you. Become his shoulder to cry on. Love and cherish him. Grow old together.

Lure your friend into the catacombs with the promise of a cask of your finest amontillado wine, but inside the final chamber they find a Smirnoff Ice.

How long do we have to wait for a higher fructose corn syrup?

Lesser Known Cryptids

Medium Foot

Yeti's Uncle

Reverse Centaur

Teach your young child that if they work hard they will be successful, then wait several decades.

New Laws I Would Make if I Were President

It is illegal to make fun of someone's cargo shorts if they're using every pocket

For one night every year all crime is legal. For two nights every year all misdemeanors are legal.

Legalize it (opium)

We're giving back Guam. Not worth the hassle.

We have elections for new presidents because I'll do a really good job

I'll make everyone drive faster so you can get home in time to watch Jeopardy

The Coast Guard will get a cooler name like Sea Force or Project Poseidon

You'll be allowed to travel anywhere in the world... through books!

I will issue an executive order to overturn my lifetime ban at all Dave & Busters locations

Brain Teasers

Could God create a boulder so heavy that He Himself could not lift it?

I have feet but no legs, a plug with no cord, and I'm there when you need me most. What am I?

BRAIN

A: A bathtub full of Baja Blast

steam engine heads west at 50 miles per hour. A
they collide, how many innocent lives are lost?

A: None, for no one can ever be truly innocent

A boy and his father are in a car accident and are rushed to the hospital. But when the doctor sees the boy, they declare, "I cannot operate on him. I'm his mother." How is this possible?

A: Wait, hold on. I think I fucked this one up

A man lies dead in a puddle of water. He appears to have been shot, but there is no bullet or exit wound. What happened?

A: I didn't see nothin'. What are you, a cop?

In the early seconds of the film, JFK can be seen smiling despite the fact that he is in Dallas

The president is clearly riding in the back of an automobile, which wasn't invented until 1997

Due to poor sound mixing, we are unable to hear Jackie Kennedy yell her signature catchphrase "That's gotta hurt!"

JFK was pronounced dead at 1pm on November 22, 1963, despite the fact that he is alive and hiding in Cuba with Avicii

If you took all the veins out of a mouse and laid them end to end the mouse would die instantly

A hummingbird's heart beats over 2 times per minute.

Dogs don't see color, in fact, some of their best friends are black.

There is a spider laying eggs inside your ear right now.

Horse penises actually look pretty normal-sized to me, that must be a you problem.

What's that? You think that sharks have no bones? You forgot about TEEH, numbnuts! Teeth are bones.

As a CEO
I always struggle when I
lay off half my staff

Now more than ever
We must come together and
Return to the office

There is no treasure here. Ok – full disclosure – we did leave SOME treasure here, but it was an accident.

You will not gain any powers from touching the goo. The goo will not turn you invisible or super strong. The goo is a type of poison we created to power most of France.

Turn back. We know you're curious about the goo, but we promise it's not that cool, it's probably not even glowing anymore. Surely you have cooler, less deadly goo in the future.

She's a lawyer at the business store who doesn't have time for love
He just inherited his uncle's greeting card company
Can he teach her the true meaning of Flag Day?

She has ten apples
He takes four of them
How many apples does she have left?

She's a stuffy referee
He's a dog who plays basketball
Can they rewrite the rule book... of love?

She's a magazine editor who looks for love in all the wrong places
He's a bad boy photographer with a camera that can detect ghosts
Did we mention ghosts are real in this one?

She runs a quirky small town bakery
He runs an even quirkier, smaller bakery
Can she make the fire look like an accident?

She's a 17 year old photographer's assistant
He's a decorated WWI veteran with a failing career
in the arts
Can they escape the Berlin bunker before it's too late?

She's the Bride of Frankenstein
He's Frankenstein
Do enough people care about this IP to make our reboot profitable?

She's looking to expand her polycule
He's a software engineer with poor personal hygiene
He's also a software engineer with poor personal hygiene
He's also a software engineer with poor personal hygiene
He's also a software engineer with poor personal hygiene

He was a boy
She was a girl
Can I make it any more obvious?
